4.2. Pairing to Mobile phone or other device

To use your Bluetooth Stereo Headphone, you must first pair your Stereo Headphone with a phone or a computer. Once your Bluetooth Stereo Headphone is paired to a specific mobile phone, they will remain paired and automatically recognize each other whenever they are within range.

Pairing to a phone and Entertainment:

- **Turn on** your phone and ensure its Bluetooth function is activated

- Turn on the Bluetooth Stereo Headphonego to the pairing mode.
- Search your Bluetooth devices onyour phone by following the phone's instructions. Refer to your phone's user manual for more information.
- After a few second the phone will list the device as a discover device. Select it and follow your phone instruction to select this pairing.
- Then your phone will request a passkey or PIN, enter 0000 as your PIN or passkey.
- Your phone will confirm the pairing, and then press Yes/Ok.
- Finally, select to connect with device from your phone.
- You can play music; watch TV/movie and play game with your phone, then your can hear all the sound or music form the device. Also you can control the player by operating the device. Example, volume up and next music.

Pairing to a computer and Entertainment:

- If there is no Bluetooth function supported by your computer, a Bluetooth adapter is necessary. Install the adapter on your computer and ensure its Bluetooth function is activated.
- Turn on the device go to the paring mode.
- Open the Bluetooth software (such as BlueSoleil) installed on your computer, and selects "Search your Bluetooth devices" function. Refer to user manual of the Bluetoth software for more information.
- After a few second the " device name" will list in Bluetooth software of your computer as a discover device.
- Select this icon and click right button of mouse to select "pairing" item,then select "connect with audio device" with same operation.
- Open your media player soft to play music, watch TV/movie and play game, then all the sound will be playback on your device.

4.3.Charging your device

The device easily connects to an AC charger or a USB charger with cord with Micro USB plug.Make sure that your device is full charged for at least 6 hours before initial use. Insert one terminal of your power cord to AC main or USB port of PC and other end of dord to Micro USB port. While charging,the red LED is lit constantly. When charging is completed, the blue LED turns on.

Warning:

- You must have a compatible USB or DC charging cord.
- You must charge the Bluetooth Headset if it has been not used for more than 12 months.
